The Associated Students
Washington Union High School
Fremont, California
June 1959

Dedication

In the past Washington has been the only high school in the township. In the fall of 1959 a new high school will open in Decoto and will be called James Logan. Many of our students and faculty will transfer to this new school. It is with regret we must bid them good-bye. With them we send our best wishes, and it is to them that we, the class of '59, dedicate this edition of the Washingtonian.

WASHINGTON UNION HIGH SCHOOL ALMA MATER

To thee our alma mater
Our thoughts will e'er turn back.
We rally round the banner,
The orange and the black.
The light of truth and knowledge
Forever will prevail.
O Washington we love thee.
All Hail! All Hail!

One of the best known girls on the campus is Graziella Reyes from Uruaguay. She is our foreign exchange student for this school year. South America can be proud of this girl with the friendly ways and shining personality. Graziella was chosen to come to the United States for a year of study because of her high scholastic standing. She would be attending the university this year if she were in her own country. She plans to study law and enter the diplomatic service. Washington is honored to have this outstanding student who is helping to bring about better relations between this country and Latin America.

Dave Nickel became the first Washington High student to be sent to a foreign country as an exchange student. He lived most of the summer of 1958 with his adopted family in Germany, with side trips into Austria and Italy. It was a wonderful and valuable experience for a very deserving student. He returned home in time for school in September where he took over his duties as Senior Class President.

As a means of getting a degree in forestry, he expects to play football for one of our west-coast colleges. Dave is one of our outstanding school leaders and Washington High is proud of his achievements.

Student Council

Bustling with activity, the Executive Branch of Student Council has undertaken many important tasks this year. Among these were revising the W. U. H. S. Constitution and rewriting the Student Handbook.

In December of 1958 Washington hosted the annual Convention for the California Association of Student Councils. They also attended conventions at San Jose and Camden.

Hatchet

The Hatchet Staff is composed of students who have completed the Journalism I course and who are selected by Hatchet Staff advisor, Mr. Collins.

Journalism I is a class concerned only with developing the journalistic style of writing. The Hatchett Staff applies these methods in issues of The Hatchet.

The publication, The Hatchet, is the result of co-operation between the print shop and the Hatchet Staff. The Hatchet not only gives these classes an opportunity to further their skills, but serves nicely as a student service.

With the addition of the new press in the print shop, the size and shape of The Hatchet, a bi-weekly, has been radically changed. This year's Hatchet is approximately one-half the size of the previous editions and boast a newly styled nameplate.

Kiss Me Kate

The first musical production in Washington High's history was presented to the public on May 20 and 21. Joe Roberts was faculty director. As the annual had to go to press early, pictures were taken in rehearsal clothes. All signs point to a colossal production.

Varsity Football

Co-Captains: Steve Barnett and Dave Nickel.

This year Washington was very honored to have occupied eight out of twenty-two positions on the ESCVAL honor teams. Outstanding lineman of the year for the league was Dave Nickel. Bob Hidalgo was selected as outstanding halfback along with Bob Berry of Willow Glen. Included in the first offensive team were Grady Hudson, Stan Kalino, Steve Barnett, Dave Nickel and Bob Hidalgo. John Quaid, Jim McCammon and Dave Hawkins were among the first defensive team.

Co-captains of this year's championship team were Dave Nickel and Steve Barnett; the only two players to be chosen All-Valley for two successive years.

Jim Marin, playing in true Marin spirit, was a valuable safety man who saved Washington many times. In his first year of varsity, Bob Guardanapo proved to be a very important first string offensive player. The running and passing of one of Washington's best quarterbacks, Bob Hidalgo, was over half of the total W. U. H. S. offense. Ed Logan, a key runner with an average of over five yards per carry, constantly kept the fans on the edge of their seats. A great all-around football player was none other than Dave Hawkins. He made some tremendous runs, received key passes, and blocked like a demon.

Ben Underwood, Joe Allen, Mack Smith, Al Roberts, and Bill Hughes plus the remainder of the team made the '58 Huskies the best varsity team W. U. H. S. has seen in many, many years.

SCORES

Washington	12	San Lorenzo	0
Washington	20	Fremont	7
Washington	25	Willow Glen	13
Washington	45	Samuel Ayer	9
Washington	2	James Lick	9
Washington	7	Los Gatos	6
Washington	24	Andrew Hill	7
Washington	13	San Jose	0
Washington	19	Lincoln	12

The Washington Huskies have won their first championship in exactly ten years. After many disastrous seasons the Huskies have zoomed up to become the fifth rated team in all of Northern California.

The Huskies offense broke the existing school record by more than twenty yards per game. Although these champions were not the highest scoring team in the league, they scored when it counted.

Washington foes were held in an amazingly small seventy yards per contest. Only one opponent, Lincoln, was able to pierce the great Huskie pass defense with any success whatsoever.

In reviewing our season, if any one word could summerize it, that word would be determination. Time and time again the Huskies came from behind to win or halt the opponent in crucial situations. Tremendous effort on the part of every man brought hard fought for victories in eight of nine contests. Huskie opponents were ruined, and in many cases, demoralized by the greatest defensive team the S. C. V. A. L. has seen in some time. Congratulations Coach Walsh!

"B" Football

The W. U. H. S. "B" football season was a successful one; a tremendous comeback was made after a mediocre start. The puppies finished second in the S. C. V. A. L. race. After losing their first three games and tieing the fourth the B's came back strong winning four out of the next five. The only loss here came at the hands of the strong Tennyson Varsity.

This year's varsity under Coach Albaugh had more fight and determination than any Husky team in years. In game after game our boys did not give up until the final bell. Jerry August was elected team captain. Steve Ebbage was voted most valuable player. Our statistics bore out the fact the 1958-59 varsity was the finest rebounding team in modern Husky basketball history. The individual school rebound record was broken by two team members while the team posted a spectacular 44 average rebounds per game. Congratulations to a great coach and a fine team.

Cross Country

This year's cross country teams were the best in Washington's history. The four teams, Varsity, Junior Varsity, Soph. and Frosh. made a clean sweep of the SCVAL placing first in all four divisions. This was not an easy task as the league of 17 teams is a tough one. In achieving this remarkable feat the teams rewrote the record book by br eaking all existing cross country league and school records.

The league records set this year are:

	Total Team Time		Individual
VARSITY	52:14.4*	F. Curtis	10:05.4*
JR. VARSITY	55:30	B. Nickels	10:52*
SOPH.	54:22	F. Curtis	10:21
FROSH.	57:07	G. Prewitt	10:52

* Denotes School Record.

Garlon Prewitt set a Freshman School Record of 10:30.

This year's cross country captain is senior Bill Nickels who was one of the six runners to better last year's school record of 10:40 for the Stanford course.

In addition, Freddie Curtis' time of 10:05.4 is the fastest ever run by a sophomore on the course and Garlon Prewitt's time of 10:30 is the fastest ever run by a freshman on the course.

The varsity team established a two-mile team record on the track of 53:45.4 The varsity team also set a new precedent for Washington cross country in the highlight of the season by winning their group in the NCS Finals.

Coach Will King, as usual, has done an excellent job with his distance runners. Congratulations.

With only one year of seasoning the Huskie Water Polo Team placed second in a combined East and West S. C. V. A. L.

This was a team of little experience learning with each game. They developed a fine defense as their record shows; less than 4 goals scored against them per game. The well balanced offense scored 88 goals for a 7 goal average per game. No team could leave any Washington man unguarded. Jim Youd was high scorer for the year with 18 goals. Leland James and Jim Youd were chosen All-Valley.

Junior Varsity Water Polo Team
